

GOVERNOR ARNOLD SCHWARZENEGGER

November 8, 2006

Richard Updegrave

We cannot begin to thank you enough for all of your incredible work. And now the people of California have spoken and said, "Great job!" This is the most extraordinary and talented Governor's team in the history of our state. We are eternally grateful for your tireless efforts day in and day out. Your service means so much to us and we are proud to work by your side.

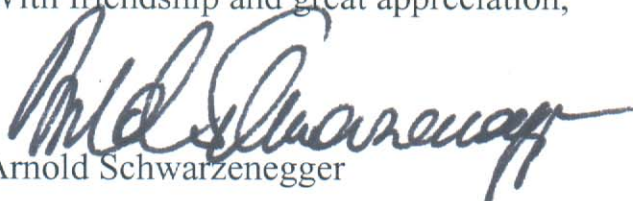

Together we have already made California a shining example of a new way to govern. And as Walt Whitman said, "The strongest and sweetest songs yet remain to be sung!"

We look forward to being able to thank you in person when we return from our travels. In the meantime, we hope you all get some rest, and take time to celebrate your hard work!

We also want to thank Susan Kennedy for the amazing job she has done this past year. We are especially proud that she is at the helm of this team and will lead us into our next term.

Thank you all again!

With friendship and great appreciation,

Arnold Schwarzenegger
